

APICS is the leading professional association for supply chain and operations management.

May 2015 Newsletter

## Professional Development Meetings

**May's PDM will be on "Dashboards for Inventory Management"  
by Rick Parra on Thursday May 28 at 6:00 PM**

This presentation will cover using dashboards to manage inventory by selecting a few relevant factors for display in real time. By picking the right ones, you can fulfill your users' information needs with the dashboard and little else.

Rick Parra is Director of Social Media for the local Albuquerque APICS chapter. Rick has been an IT professional for over 30 years and is currently a software developer for the Biomedical Research Institute of New Mexico (BRINM).

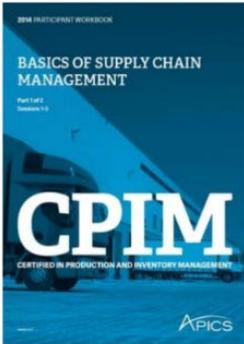

Thursday May 28 at 6:00 PM – 7:30 PM.  
Stone Face Tavern  
8201 San Pedro Dr NE, Albuquerque, NM 87113  
Cost is free  
Full food and drink menu items is available

## Education

The **APICS Certified in Production and Inventory Management (CPIM) program** provides you with the ability to understand and evaluate production and inventory activities within a company's global operations.

APICS CPIM is preferred by thousands of employer's worldwide.  
More than 100,000 professionals since 1973 have earned the APICS CPIM designation.  
APICS CPIM helps you master essential terminology, concepts, and strategies related to

- demand management
- procurement management
- supplier planning
- material requirements planning
- capacity planning
- sales and operations planning
- master scheduling
- performance measurements
- supplier relationships
- quality control
- continuous improvement

### **Basics of Supply Chain Management**

APICS is the leading professional association for supply chain and operations management.

## Lean Enterprise Workshop Series

**The APICS Lean Enterprise Workshop Series** is organized so you can approach and understand the lean transformation process systematically. Using scenarios from a fictitious company, Murphy's Toys, you will be tasked with finding lean solutions to numerous challenges. This method provides you with the flexibility to immediately customize what you've learned and implement it at your own organization.

Each workshop is 4 hours in length. The workshops can all be done together to compliment your Lean training or individual modules can be selected.

There are seven workshops in the series:

- Introduction
- Lean Culture
- Value Stream Mapping
- Stability and Process Improvements
- Just-in-Time
- Measuring
- Sustaining

Cost for all 7 Workshops for members is \$695.  
Nonmember rate is \$895 and includes membership.

Each Workshop is 4 hours long and will meet weekly.

**Contact Jim Constand at [jim\\_constand@msn.com](mailto:jim_constand@msn.com) or (505) 280-9514 to register.**

## **Build Foundational Knowledge with the APICS Principles of Operations Management**

APICS Principles of Operations Management is an education-based program made up of five courses designed to help new entrants to the field of operations management establish the foundational knowledge necessary to excel in the fields of production and distribution management. Principles offer organizations an efficient and effective approach to educate and develop professionals on the basics of operations management.

### **Principles Courses**

The APICS Principles of Operations Management consists of five classroom-based, instructor-led courses.

- The Principles of Inventory Management
- The Principles of Operations Planning
- The Principles of Manufacturing Management
- The Principles of Distribution and Logistics
- The Principles of Managing Operations

If you are interested in participating in the Basics of Supply Chain Management class, or the Lean Enterprise Workshop Series, or any of the Principles Courses, please contact us at **[webmaster@abqapics.org](mailto:webmaster@abqapics.org)**.

Cost for each Workshop for members is \$695.  
Nonmember rate is \$895 and includes membership.

Each Workshop will meet weekly for 3 hours for 12 weeks.

**Contact Jim Constand at [jim\\_constand@msn.com](mailto:jim_constand@msn.com) or (505) 280-9514 to register.**

*We look forward to seeing you at the May PDM and in the next BSCM or CSCP course.*
