PGI is a precision machining facility located in the beautiful Southwest United States in Albuquerque New Mexico. We specialize in precision milling, turning, wire EDM (Electric Discharge Machine) of a vast number of conventional and exotic materials. Serving the aerospace and defense industries for over 46 years.

EDUCATION

Start your CLTD journey today!

Earn your CLTD credential and be a step ahead of your peers in the logistics, transportation and distribution industry. APICS sets the global standard for logistic best practices with the CLTD designation.

We will start a Certified in Logistics, Transportation and Distribution (CLTD) class in February 2018. Please send an email to contact@abqapics.org or call 505-331-8205

Certified in Logistics, Transportation and Distribution (CLTD)

Become a recognized expert in the logistics, transportation and distribution fields. Certification demonstrates in-depth knowledge of a broad range of topics to set you apart from your colleagues — proving your high level of knowledge and skills. You'll be a more valuable asset to your organization, keeping you and your organization more competitive in today's global economy.
