**PROGRAMS**

# LOS POBLANOS

**Please join us for a tour at Los Poblanos**

**Friday, April 5<sup>th</sup> at 12:00 noon.**

<https://lospoblanos.com/>

Los Poblanos is on an award-winning, historic inn and organic farm located in the Rio Grande River Valley. Set amongst 25 acres of certified organic lavender fields, enormous cottonwood trees and lush formal gardens, the farm began cultivating lavender over 15 years ago in fields with centuries of agricultural history. We use steam-distillation process to extract the organic essential oil, enduring absolute purity to create an authentic product directly connected to the land itself.

The lavender fields are tended by hand without the use of pesticides or fertilizers and harvested at the optimal time each year to yield the highest quality essential oil. Produced in small batches, time and care goes into each hand-crafted product.

Distillation demo and production tour. April 5<sup>th</sup>, 2019 12:00 noon. No lunch provided.

Food items available to purchase in the gift shop.

**Where: 4803 Rio Grande Blvd. NW, Los Ranchos De Albuquerque, NM 87107**

**Notice: Rio Grande is blocked at Candelaria for road work. Use 12th St. North to Comanche.**

Please **RSVP** to [Contact@abqapics.org](mailto:Contact@abqapics.org)

## EDUCATION

If you are interested in starting your CPIM or CSCP certification education, please send an email to [contact@abqapics.org](mailto:contact@abqapics.org) or call 505-331-8205

### *CPIM Certification*

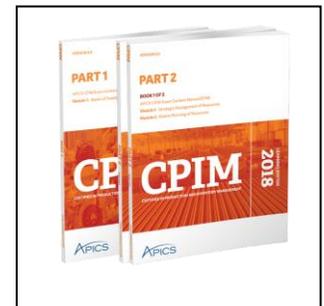

Acquire a working knowledge of the tools and techniques for planning of inventory, including planning techniques such as MRP, CRP, lean, TOC, and projects. Understand the effect of using each technique; know standard measurements for inventory, materials, capacity and supplier performance; and recognize when to escalate issues. Topics include:

- Managing inventory, planning material requirements, planning capacity requirements, and procurement and supplier planning
- Recognizing the importance of supply chain management and deploying supply chain strategies related to scheduling, planning, and sourcing
- Translating product-level plans and schedules generated at the master planning level into requirements that can be procured or produced
- Bridging the master planning area with the execution and control function
- Planning, scheduling, resource allocation, and implementing projects that are used to manage the supply of products and services 2017

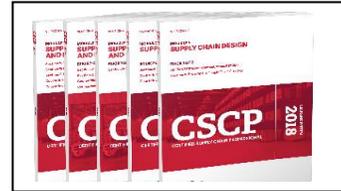

### *APICS CPIM provides*

- Increased efficiency across organizational operations
- Understanding of production and inventory activities within the internal operations of a company
- In-depth view of materials management, master scheduling, production planning, forecasting and quality improvement within the confines of the operation.

## *CSCP Certification*

### What is the APICS CSCP Program?

- Professional development, education and certification program
- First certification program to focus on the end-to-end global supply chain
- The global standard in supply chain education and certification since its introduction in 2006

### Benefits of APICS CSCP Education

- This world-renowned program benefits professionals and employers by
- aligning global supply chain strategies with business objectives to streamline operations and drive profits
- helping professionals gain knowledge and practical applications to effectively manage global supply chain activities
- demonstrating mastery of the concepts that create consistency and foster collaboration through best practices, common terminology and corporate wide communication
- increasing employee on-the-job confidence
- enhancing credibility throughout the industry

### What Can the APICS CSCP Program Do for Employees?

- **Expertise in supply chain management** areas that are broader than the normal scope
- One **comprehensive source** of reference material that is unbiased by special interests of consultants
- Stay **up-to-date** on advances and evolution of knowledge in this field with conferences, publications
- Gain a **network of contacts** from different industries who have all also completed the APICS CSCP program
