With the New Year come new opportunities. It is a time for reflection on key lessons learned and make new commitments that will make us grow and learn.

This is a perfect time to think strategically in the advancement of your career. A good plan must include a certification in Supply Chain, such as CPIM, CSCP or CLTD. The Albuquerque APICS Chapter would like to hear from anyone who may be interested in CSCP classes in 2020, please call for details and to sign up.

It has been more than a year since APICS announced the launch of ASCM, the Association for Supply Chain Management which will act as a parent association concentrating in 3 business areas: 1. Learning and Development, 2. Corporate Transformation and 3. Making an Impact. Under the ASCM umbrella there are other partnerships such as: APICS, PWC, Deloitte, Accenture, CFLP, CIPS, Demand Driven Institute, and many others.
