OPEN HOUSE

Thursday, September 29th, 6-9 pm

We are thrilled to invite you to our annual **Open House**. This year we are excited to show off our newly installed lobby display, introduce some of our newest products, tell you about our new residential interior design trade program, and mingle with friends from the local architecture and design communities. Libations will be available on the patio with snacks provided by **Mesa Provisions**. Bring a friend! We can't wait to see you. *Out of respect for our employees, masks will be required for the indoor studio tour.*

Manufacturing Day

A Nationwide Celebration of Makers

Manufacturing Day is a national initiative that puts a spotlight on manufacturing. In New Mexico, it's a month-long spotlight on New Mexico-made products and the more than 27,000 New Mexicans working in the manufacturing industry. It's an opportunity to enhance public knowledge about the economic impact of manufacturing in our state, highlight resources, and introduce students to careers in manufacturing.

Celebrated every October, events include tours of manufacturing facilities and presentations that demonstrate the vast range of products made in New Mexico. Most events are open to the public.

For Information on activities during Manufacturing Day and throughout the month of October please visit:

<https://newmexicomep.org/manufacturing-day/>
